

METROPOL

**Bleed Area** - To avoid white areas when your banner is hemmed, extend artwork or solid colour to fill the full "bleed area".

**Trim Area** - The area that we aim to trim your banner.

Safe Area - Keep important parts of your
design such as text and logos well within
the "safe area" otherwise they may get
cut off during hemming/trimming

Please convert all type to outlines and delete the "Artwork Guides" layer before saving as a PDFX-1a Adobe Acrobat PDF.
